

*Nothing but the facts.*

A dream that began in 1944 for Harvey Gross in a one-room gambling hall, Harveys was South Lake Tahoe's original casino property. It soon became the area's first high-rise hotel/casino and today, after a \$100 million expansion, is Lake Tahoe's newest hotel and casino.

**MEETING FACILITIES**

Harveys Resort & Casino offers over 25,000 square feet of dedicated and flexible meeting space that features 22-foot ballroom ceilings and a self-service Business Center. Elegant decor enhances an environment ideal for entertainment venues, banquets and the conduction of business.

The Convention Center and hotel lobby are located on separate levels from the casino. Group functions are directly accessed from our guest rooms by high-speed elevators. For intimate cocktail parties, there's the newly remodeled Harveys Top-of-the-Wheel on the 12th floor with its panoramic vistas of Lake Tahoe and the surrounding Sierra Nevada mountains.

Our experienced catering team and on-site audio-visual specialists will ensure every detail of your event will be absolutely perfect.

Create camaraderie, build your team's morale and reward superior performance by allowing our talented catering professionals to create an original theme party for your special group. Your convention will be a truly memorable and unique experience at Harveys Resort & Casino.

**GAMING AND ENTERTAINMENT**

"The Party's at Harveys" is more than a slogan—it's the Red Rockin', belly-bustin', rock n' rollin', guitar smashin' truth, the way it is, and the way it should be.

Between the casino action, Lake Tahoe's favorite sportsbook and red-hot entertainment venues, Harveys is the place to get your kicks at Lake Tahoe.

**RECREATION**

With over 300 days of sunshine every year and over 400 inches of snow each winter, Lake Tahoe provides unmatched beauty and an abundant choice of recreation for every season. The gondola to Heavenly Ski Resort is a few minutes walk from Harveys front door.
